

Architects

Galen Ensign, AIA
Associate
Project Manager

Education: Hirschi High School
The University of Texas
Midwestern State University

Registration: Registered Architect, State of Texas #13289
Registered Interior Designer, State of Texas #3763

Professional Affiliations: American Institute of Architects
Texas Society of Architects
Wichita Falls Chapter, American Institute of Architects

Experience: As Project Manager, Galen is responsible for project programming, design and production as well as coordination with the design team. The project architect's role is to manage the fine detail and coordination required in assembling a building conceptually in drawing and document form, to direct the contractor for construction of the project.

Galen Ensign has 28 years of professional experience in all phases of architecture from design to construction observation and monitoring. He also serves as a coordinator of computer operations systems for the firm and has played a vital role in the development of the networked CAD operations of the Design Teams. Prior to joining Bundy, Young, Sims & Potter, Inc., he worked for Killebrew Rucker & Associates and Wingler & Sharp in Wichita Falls.
