

Architects

Ron Fox, AIA, LEED AP
Associate
Project Manager

Education: Clovis, New Mexico High School, 1966
Texas Tech University
Bachelor of Architecture, 1975

Registration: Registered Architect, State of Texas # 6533
Registered Interior Designer, State of Texas # 3871
LEED AP

Professional Affiliations: American Institute of Architects
Texas Society of Architects
Wichita Falls Chapter, American Institute of Architects

Experience: As Project Manager, Ron is responsible for project programming, design and production as well as coordination with the design team. The project architect's role is to manage the fine detail and coordination required in assembling a building conceptually in drawing and document form, to direct the contractor for construction of the project.

Ron Fox has 37 years of professional experience in all phases of architecture from design to construction observation and monitoring. Ron is a key designer for the firm and plays a strong role in the review and critique of project designs. Prior to joining Bundy, Young, Sims & Potter, Inc. in 1994, Ron was a practicing design architect with Wingler & Sharp in Wichita Falls and Architects 4 of the Southwest in Roswell, New Mexico and AC Associates in Lubbock, Texas. Prior to graduation, Ron worked for Kruger, Lake & Associates in Albuquerque, New Mexico, and the Ranch Heritage Center at Texas Tech University.
