

# Architects

David Hartwell, AIA, LEED AP  
Associate  
Project Manager

**Education:** Clear Lake High School, 1973  
The University of Texas  
Bachelor of Architecture, 1978

**Registration:** Registered Architect, State of Texas #8574  
Registered Interior Designer, State of Texas #4182  
NCARB Registration #49503  
LEED AP

**Professional Affiliations:** American Institute of Architects  
Texas Society of Architects  
Wichita Falls Chapter, American Institute of Architects

**Experience:** As Project Manager, David is responsible for project programming, design and production as well as coordination with the design team. The project architect's role is to manage the fine detail and coordination required in assembling a building conceptually in drawing and document form, to direct the contractor for construction of the project. David has expertise in green building practices and principals and implements those on the firm's projects.

David Hartwell has 30 years of professional experience in all phases of architecture from design to construction observation and monitoring. He also serves as a design reviewer for in-house design critiques on projects and brings a wide range of background in various building types to the firm. David is a key manager in the direction of the Design Team. Prior to joining Bundy, Young, Sims & Potter, Inc. in 1989, David was a practicing architect with Barrow & Stahl Architects in Austin, Texas.
