Richard H Bundy, FAIA
CEO/Principal
Senior Project Manager

Education:

Schreiner Military Institute, 1970
The University of Texas
Bachelor of Architecture, 1975
Graduate School of Design, Harvard University
Public Libraries
The New Office Building

Registration:

Registered Architect, State of Texas # 6467
Registered Interior Designer, State of Texas # 3353

**Professional
Affiliations:**

American Institute of Architects
Texas Society of Architects
Wichita Falls Chapter, American Institute of Architects

Experience:

As Principal and Senior Project manager, Mr. Bundy is responsible for client communications, project planning, organization, scheduling and leadership of the architectural/engineering design team to assure projects meet assigned goals, schedules and budgets. He is director of marketing and investments, and coordinates the firm's public relations efforts. He has 46 years professional experience in all phases of architecture.

He is the Past President of the Texas Society of Architects and served two years as Chairman of the Board of the Wichita Falls Board of Commerce and Industry. He is a board member of the Wichita Falls Boys & Girls Clubs and is an organizer and Founding Director of Fidelity Bank Wichita Falls. Mr. Bundy is Past Chairman of Wichita Falls Young Life and currently is the President of the Wichita Falls Area Community Foundation and the Wichita Falls 4A Economic Development Corporation. Before BYSP Architects in 1982 he was the Development Coordinator for 3-D International for Aramco New Town Developments in Saudi Arabia.

For his accomplishments in the field of architectural design, professional leadership and service to society, Mr. Bundy was elevated into the American Institute of Architects College of Fellows in 2014.
